POST-CONFERENCE ORDER

22-CV-1445 (LAK) (OTW)

THE CITY OF NEW YORK, et al.,

Defendants.

ONA T. WANG, United States Magistrate Judge:

The Court held a telephonic Status Conference in this matter on **Thursday, April 11, 2024**, at which the Court made rulings on the record. As ordered at the conference, any motion to compel related to document requests are resolved as follows:

- Document request 26: Defendant represents that there are no other responsive documents to produce.
- 2. **Document request 32:** Document request 32 is limited to the CCRB files that have been provided and the closing reports as discussed at the conference.
- 3. **Document request 34:** In response to document request 34, Defendants are directed to produce the privilege log.
- Document request 37: Defendant is directed to produce <u>only</u> notice of claims for civil cases, not 50-H transcripts.
- 5. **Document request 66:** Defendants do not need to produce anything in response to document request 66 because it is not proportional to the needs of the case.

As to other discovery issues:

6. No issue remains regarding the IAB document response dispute.

7. To the extent Plaintiff moves to compel ESI discovery, it is **DENIED** as premature.

8. To the extent ECF 173 is a motion for fees and costs, it is **DENIED without prejudice**. Any

motions for fees and/or cost shifting are stayed until the close of discovery.

The parties are directed to refer to the April 11, 2024 conference transcript for further

details on the Court's rulings.

SO ORDERED.
